СВЯТИЛИЩЕ ЗАНГИОТА: МЕСТО ИСТОРИИ И ДУХОВНОСТИ

Аннотация

В данной статье всесторонне исследуется историческое становление святилища Зангиота, его духовно-просветительская роль в общественном сознании, а также процессы его недавней реставрации и модернизации в период обретения независимости. Также научно анализируется значение святилища в сфере туризма, духовного воспитания и укрепления национального самосознания в наши дни. Исследование проводилось на основе исторических источников, мистической литературы и современных научных исследований.

Ключевые слова: Зангиота, Шейх Хованди Тохур, святилище, духовность, история, наследие, туризм.

Every year many pilgrims Tourism in 2025 infrastructure expanded , new hotels built .

Conclusion

Zangiota the shrine is simply historical monument not , maybe our people spirituality, spiritual identity reflection provider holy is a place to live . Here history and spirituality , material and spiritual values He is in harmony with us . our ancestors spiritual legacy to preserve , to protect new to the generation to deliver on the way responsible to be calls . To Zangiota step put every one human own in the heart light, in the spirit harmony and in the heart feels excited . Independence years Zangiota architectural The set is also special. beautiful opened . Cemetery brick with oriental in a way again It was fenced off , an arch was built . In need of repair. become Anbar Bibi lying down monument actually Cemetery inside 150 meters from the monument to the corridor shaped works Mosque pool surroundings repaired , five stool was built . Zangiota district Uzbek history lively is an encyclopedia : in it ancient Amir Temur architecture , various period gardens and the 21st century skyscraper buildings one in place incarnation . 175 out of a thousand more than population with him in Tashkent new from the centers to one is spinning , but his/her own spiritual core – Zangiota shrine legacy save will remain . In the future district capital agglomeration important structural to the part turns .
